2016 Sponsorship Guidelines

The Tampa Tiger Bay Club (TTBC) welcomes individuals, businesses, institutions and organizations supportive of our mission and vision to sponsor our meetings!

TTBC is seeking sponsorships to help fund our scholarships for students to attend our lunches and become more informed and involved with issues in our community. The sponsorships will also be used to provide high-quality speakers and programs.

The President and Sponsorship Committee of the TTBC shall have the responsibility and authority to seek and confirm sponsorships from entities that contribute positively to the Tampa Bay community.

Sponsors entities must be in good taste, decent and reflect community standards.

If a potential sponsor may be considered controversial or offensive to members of TTBC, the Board will be informed and discussion and a vote will ensue in order to collectively

agree on accepting the sponsorship. It is expected that the President and Sponsorship Committee will err on the side of caution with sensitivities and consideration of all parties.

The Board of TTBC reserves the right to decline any potential sponsor for any reason. All comments, opinions and materials are solely those of the sponsor and do not reflect endorsement or support of the board of TTBC.

Sponsorships are \$500 and include the opportunity to speak at the luncheon prior to the program for 3-5 minutes. Also included is lunch for two representatives from the organization for that lunch, prominent identification on the club's website and in its social media outreach, and the opportunity to place materials on tables in the meeting room.

Special events will have separately defined sponsorship rates and benefits.

Candidates for political office are not eligible to be sponsors of the program.

Sponsorship Agreement

Thank you for your support of Tampa Tiger Bay Club! Your sponsorship will help fund scholarships for students to attend our events and learn about the issues affecting our community.
